21

22 Whereas the date for expert designation in this matter is currently set for December 3, 2010, and

24

25 Whereas the parties have been actively engaging in settlement discussions since mediation was  
26 conducted in this matter on July 8, 2010, and have been making significant progress in those discussions,  
27 and agree that holding further discussions before further expenditures, including the designation of  
28 experts, would be helpful to the settlement process;

1 Therefore the parties by and through their respective counsel herein stipulate to continue the date  
2 for designation of experts for 14 days to December 17, 2010.
